I truthfully affirm that I am leaving the industry, including all types of craft work covered by the United Brotherhood of Carpenters and Joiners of America. If I ask to be re-admitted into the Union under the provisions of Section 47B of the Constitution, I will provide evidence through pay stubs and/or tax returns to prove that I in fact left the trade.

Request to receive an Honorary Resignation Card will be granted based on meeting the qualifications of Section 47B of the Constitution which states:

"A member resigning with current dues paid may be given an Honorary Resignation Card indicating honorary withdrawal from the United Brotherhood if the member truthfully affirms in writing that he or she is leaving the industry unless it is known that the resignation has been submitted for the purpose of violating Trade Rules... Within 24 months of honorary withdrawal, an ex-member who in fact left the industry may be readmitted to membership without payment of any initiation fee by redepositing the Honorary Resignation Card with the issuing Local Union. If such member pays all back dues for the period of withdrawal, he or she will maintain the previous initiation date.... If the member chooses not to pay all back dues but commences paying dues as of the current month, he or she will be given a new initiation date as of the date of readmission and shall be treated as a new member."
